Re: Manatee Cove, 770 Carolin Street, Melbourne, Florida 32901

Dear Mrs. Bayó:

It is our understanding that Manatee Cove is a development that will include approximately 192 rental units with first residents expected in 3<sup>rd</sup> quarter 2006.

The developer has informed us that it has entered into arrangements with another communications provider (Paetec Communications) to provide service to residents at this development, and BellSouth has no easement rights to place facilities to provide service. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1), Florida Statutes, we are writing to inform the Commission that BellSouth has been restricted from installing its communications facilities during the construction phase of the above property. Accordingly, BellSouth is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement with Paetec Communications, and will not be providing service to residents at the property. If a resident inquires, BellSouth will inform the resident of the restriction of BellSouth service at the property.
