Docket No. 060003-GU
Filed: November 13, 2006

**FLORIDA PUBLIC UTILITIES COMPANY'S ADDITIONAL REQUEST
FOR CONFIDENTIAL CLASSIFICATION OF AUDIT WORKPAPERS**

Florida Public Utilities Company ("FPUC"), pursuant to section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, herewith submits this Additional Request for Confidential Classification and as support would state:

1. On July 12, 2006, FPUC submitted a Request for Confidential Classification of Audit Workpapers and documents provided to Staff in connection with their audit, identified as RCA No. 06-076-4-2, of the Purchased Gas Adjustment for the year ended December 31, 2005.

2. In the index of workpapers, there were two documents identified but not contained in the actual documents that were provided. In its Request, FPUC noted that these two documents, identified as workpaper 41-3/3, page 12 and 41-3/3, page 15, were missing but included them in the list for confidential treatment. Those two documents have now been provided to FPUC.

3. FPUC requests that the Commission grant confidential treatment to the following documents:

Workpaper 41-3/3, page 12, columns A-F, lines 1-31

Workpaper 41-3/3, page 15, columns A-F, lines 1-31

These documents are copies of invoices which contain customer specific information, including names, addresses, account numbers, services, usage, bill amounts and similar information specific to individual customers. FPUC does not, as a matter of policy, release or reveal customer specific

information unless required to do so by law or unless the release is authorized by customer. This information is personal and sensitive to the individual customers and release of such private, personal information would be detrimental to the interests of the customers.

Disclosure of customer specific information such as is included on individual invoices, not only is harmful to the individual customer, but such information is also of value to competitors. The public release of individual invoices reveals specific locations and usage information that would provide valuable marketing information to competitors. The disclosure of such competitive information is protected by Section 366.093(3)(e), Florida Statutes and disclosure would harm the individual customers, the Company and customers generally. Additionally, the Commission has previously considered and granted requests from FPUC and others for confidential treatment to customer specific information in Orders 00-15669-CFO-GU, 02-1210-CFO-GU, and 04-1075-CFO-GU, among others.

4. Accompanying this request are redacted copies of the identified documents. Under separate cover, FPUC is providing a copy of the unedited documents with the confidential information highlighted pursuant to the requirements of the Commission.

5. FPUC requests that the Commission grant this request for confidential treatment for the specified information and that the material be treated as confidential pursuant to section 366.093, Florida States, and Rule 25-22.006, Florida Administrative Code.

Dated this 13th day of November 2006.
