Re: Telecom Colombia USA, Inc.; Application for  
Cancellation of Registration

Dear Sir or Madam:

Telecom Colombia USA, Inc. ("TCUSA") was granted a Registration ("Registration") to provide intrastate interexchange telecommunications services in Florida in Docket No. 050155-TI, effective February 28, 2005. Since this time, TCUSA has operated as a provider of intrastate, toll prepaid calling card services.

Due to a business plan change, TCUSA no longer intends to exercise its authority to provide services under its Registration in the State of Florida. Consequently, TCUSA requests that the Commission cancel its Registration, effective December 18, 2006.

As a provider of prepaid calling cards, TCUSA does not send any bills to customers. TCUSA intends to pay all current or past due Regulatory Assessment Fees, including any associated penalties and interest, by January 30, 2007.
