Case Background

Section 364.336, Florida Statutes, requires each telecommunications company licensed or operating in Florida to pay the Commission a fee that may not exceed 0.25 percent of its annual gross operating revenues derived from intrastate business. Rule 25-4.0161, Florida Administrative Code, sets the fee at 0.20 percent of gross operating revenues. Chapter 2005-132, section 19, Laws of Florida, amended section 364.336, Florida Statutes, to authorize the Commission to charge telecommunications companies a minimum regulatory assessment fee of up to \$1,000. The statute was amended to enable the Commission to reduce the shortfall in the amount of fees paid by telecommunications companies for the cost of their regulation. The statute gives the Commission the discretion to set different amounts depending on the type of

service provided by a company, which amount must be related, to the extent practicable, to the cost of regulating each type of company. The minimum annual amount was last increased in 1990 from \$25 to \$50.

Staff conducted a rule development workshop on November 9, 2006. Attending the workshop were representatives of BellSouth Telecommunications, Inc. ("BellSouth"), Verizon Florida, Inc. ("Verizon"), Embarq Florida, Inc. ("Embarq"); and Alltel Communications, Inc.

The Commission has rulemaking authority pursuant to Sections 120.54, 350.127(2), and 364.336, Florida Statutes.

Discussion of Issues

Issue 1: Should the Commission amend Rule 25-4.0161, Florida Administrative Code, to increase the minimum regulatory assessment fees paid by telecommunications companies?

Recommendation: Yes.

Staff Analysis: Staff recommends that Rule 25-4.0161 and the regulatory assessment fee ("RAF") reporting forms be amended to increase the annual minimum amount each company must pay the Commission, from \$50 to the following amounts, regardless of the company's gross operating revenues:

Local Exchange Companies - \$1,000

Pay Telephone Service Provider - \$100

Shared Tenant Service Provider - \$100

Interexchange Company - \$700

Alternative Access Vendor - \$600

Competitive Local Exchange Company - \$600

(Attachments A and B.)

Staff believes it is appropriate for the Commission to recover some of the basic, ongoing annual costs of regulating telecommunications companies through the basic minimum RAF amount. Staff calculated the recommended minimum RAF amounts to include several readily measured recurring costs associated with regulating telecommunications companies. They include the cost of maintaining basic contact information about the company; the cost of collecting RAF from each company; and some of the cost related to the consumer complaint process. The particular minimum amount charged to each type of company was determined in part based on their share of consumer complaints. The recommended amounts will more equitably spread the costs of regulation among the types of companies causing the costs.

Statement of Estimated Regulatory Cost Summary:

The increased minimum RAF payment will apply to all companies, although some companies (and all local exchange companies) already pay more in RAFs than the new minimum amount. Assuming all current companies keep their certifications and registrations active, it is estimated that the increased minimum RAF will result in approximately \$513,000 in new revenue for the Commission. Some of the current certificate and registration holders who do not actually operate in Florida and have no intrastate revenue may, however, choose to cancel their certificates or registrations rather than pay the increased minimum fee. A Statement of Estimated Regulatory Cost (SERC) is attached. (Attachment C.)

Docket No. 060668-TP
Date: November 21, 2006

Issue 2: Should this docket be closed?

Recommendation: Yes, if no requests for hearing or comments are filed, the rule amendments as proposed should be filed for adoption with the Secretary of State and the docket should be closed.

Staff Analysis: Unless comments or requests for hearing are filed, the rules as proposed may be filed with the Secretary of State without further Commission action. The docket may then be closed.

1 **25-4.0161 Regulatory Assessment Fees; Telecommunications Companies.**

4 This fee shall be referred to as a regulatory assessment fee, and each company shall pay a
5 regulatory assessment fee in the amount of 0.0020 of its gross operating revenues derived
6 from intrastate business. For the purpose of determining this fee, each telecommunications
7 company shall deduct from gross operating revenues any amount paid to another
8 telecommunications company for the use of any telecommunications network to provide
9 service to its customers. Regardless of the gross operating revenue of a company, a minimum
10 annual regulatory assessment fee ~~of \$50~~ shall be imposed as follows:

11 (a) Local Exchange Company - \$1,000;

12 (b) Pay Telephone Service Provider - \$100;

13 (c) Shared Tenant Service Provider - \$100;

14 (d) Interexchange Company - \$700;

15 (e) Alternative Access Vendor - \$600;

16 (f) Competitive Local Exchange Company - \$600.

17 (2) Telecommunications companies that owed gross regulatory assessment fees of
18 \$10,000 or more for the preceding calendar year shall pay the fee and remit the appropriate
19 form twice a year. The regulatory assessment fee and appropriate form shall be filed no later
20 than July 30 for the preceding period of January 1 through June 30, and no later than January
21 30 of the following year for the period of July 1 through December 31. Telecommunications
22 companies that owed gross regulatory assessment fees of less than \$10,000 for the preceding

1 year for the current calendar year operations.

2 (3) If the due date falls on a Saturday, Sunday, or legal holiday, the due date is
3 extended to the next business day. If the fees are sent by registered mail, the date of the
4 registration is the United States Postal Service's postmark date. If the fees are sent by certified
5 mail and the receipt is postmarked by a postal employee, the date on the receipt is the United
6 States Postal Service's postmark date. The postmarked certified mail receipt is evidence that
7 the fees were delivered. Regulatory assessment fees are considered paid on the date they are
8 postmarked by the United States Postal Service or received and logged in by the
9 Commission's Division of the Commission Clerk and Administrative Services in Tallahassee.
10 Fees are considered timely paid if properly addressed, with sufficient postage, and postmarked
11 no later than the due date.

12 (4) Commission Form PSC/CMP 25 (xx/xx01/05), entitled "Local Exchange Company
13 Regulatory Assessment Fee Return"; Form PSC/CMP 26 (xx/xx01/05), entitled "Pay

19 Exchange Company Regulatory Assessment Fee Return" are incorporated into this rule by
20 reference and may be obtained from the Commission's Division of the Commission Clerk and
21 Administrative Services.

22 (5) Each telecommunications company shall have up to and including the due date in
23 which to submit the applicable form and:

24 (a) Remit the total amount of its fee, or

25 CODING: Words underlined are additions; words in ~~struck through~~ type are deletions
from existing law.

1 (b) Remit an amount which the company estimates is its full fee.

2 (6) Where the company remits less than its full fee, the remainder of the full fee shall
3 be due on or before the 30th day from the due date and shall, where the amount remitted was
4 less than 90 percent of the total regulatory assessment fee, include interest as provided by
5 paragraph (8)(b) of this rule.

6 (7) A company may request from the Division of the Commission Clerk and
7 Administrative Services a 30-day extension of its due date for payment of regulatory
8 assessment fees or for filing its return form.

9 (a) The request for extension must be submitted on Form PSC/CCA 124 (01/05) and
10 will be granted if the company has applied for the extension within the time required in
11 paragraph (b) below and the company does not have any unpaid regulatory assessment fees,
12 penalties or interest due from a prior year. Form PSC/CCA 124 (01/05), entitled "Regulatory
13 Assessment Fee Extension Request" is incorporated into this rule by reference and may be
14 obtained from the Commission's Division of the Commission Clerk and Administrative
15 Services.

16 (b) The request for extension must be received by the Division of the Commission

19 pursuant to this rule, the telecommunications company shall remit a charge in addition to the
20 regulatory assessment fees, as set out in Section 350.113(5), F.S.

21 (d) The return forms may be obtained from the Commission's Division of the
22 Commission Clerk and Administrative Services. The failure of a telecommunications
23 company to receive a return form shall not excuse the company from its obligation to timely
24 remit the regulatory assessment fees.

25 CODING: Words underlined are additions; words in ~~struck through~~ type are deletions
from existing law.

1 (8) The delinquency of any amount due to the Commission from the
2 telecommunications company pursuant to the provisions of Section 350.113, F.S., and this
3 rule, begins with the first calendar day after any date established as the due date either by
4 operation of this rule or by an extension pursuant to this rule.

5 (a) A penalty, as set out in Section 350.113, F.S., shall apply to any such delinquent
6 amounts.

7 (b) Interest at the rate of 12 percent per annum shall apply to any such delinquent
8 amounts.

9 (9) The Division of the Commission Clerk and Administrative Services shall send by
10 certified mail a regulatory assessment fee delinquency notice to any company that fails to file
11 a regulatory assessment fee return and that fails to pay the regulatory assessment fee by the
12 date specified in subsection (2), unless the company has met the requirements of subsections
13 (6) and (7).

14 (10) If a company fails to pay the regulatory assessment fee within 15 days after
15 receiving a delinquency notice, the Division of the Commission Clerk and Administrative
16 Services, in cooperation with the Division of Competitive Markets and Enforcement and the
17 Office of General Counsel, will establish a docket and administratively issue a Notice of
18 Proposed Agency Action Order Imposing Penalties and Collection Costs, and Requiring
19 Payment of Delinquent Regulatory Assessment Fees, or Cancelling Certificates or Removing
20 From the Register for Violation of Rule 25-4.0161, F.A.C., and Section 364.336, F.S. The
21 company must pay the past due regulatory assessment fees, the penalty and interest for late
22 payment as provided in Section 350.113, F.S., and as stated in subsection (8) above, and must
23 also pay the applicable penalty stated in subsection (11) for failure to file the regulatory
24 assessment fee return.

25 CODING: Words underlined are additions; words in ~~struck through~~ type are deletions
from existing law.

1 (11) Pursuant to Section 364.285, F.S., the Commission has the authority to impose a
2 penalty or cancel a certificate or registration if a company refuses to comply with Commission
3 rules, orders, or Florida Statutes. The penalty, which will include collection costs, for failure
4 to file the regulatory assessment fee return by the date stated in the delinquency notice shall be
5 as follows:

6 (a) First violation – \$500;

7 (b) Second violation – \$1,000;

8 (c) Third violation – \$2,000.

12 removal of its name from the Commission's register, whichever is applicable.

13 (12) For a company's fourth failure to pay the regulatory assessment fee after being
14 sent a delinquency notice, Commission staff shall file a recommendation to the Commission
15 for further action.

16 (13) A company that reapplies for a Certificate of Public Convenience and Necessity,
17 or refiles for registration, must pay all prior unpaid regulatory assessment fees, plus the
18 penalty and interest defined in subsection (8), and any prior unpaid penalty assessed in
19 accordance with subsection (10).

On Line 41, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. **Do not deduct** any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. **DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.**

3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 46). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 47). RE: Statement of Estimated Regulatory Costs for Proposed Rule Amendment 25-4.0161

SUMMARY OF THE PROPOSED AMENDED RULE

Rule 25-4.0161(1) establishes the minimum annual regulatory assessment fees telecommunications companies must pay to the Florida Public Service Commission in order to operate in Florida. Regardless of the gross operating revenue of a company, a minimum regulatory assessment fee of \$50 is imposed.

The proposed Amendment to Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies, defines new minimum annual regulatory assessment fees (RAF) companies must pay the Commission, regardless of the gross operating revenues of the companies. Commission forms, Form PSC/CMP 25, Form PSC/CMP 26, Form PSC/CMP 34, Form PSC/CMP 153, Form PSC/CMP 1, and Form PSC/CMP 7 are changed to reflect the new minimum RAFs applicable to a specific company type. The recommended new minimum RAFs are as follows: pay telephone companies (PATs) - \$100, shared tenant service providers (STS) - \$100, interexchange companies (IXCs) - \$700, competitive local exchange companies (CLECs) - \$600, incumbent local exchange companies (ILECs) - \$1,000 and alternative access vendors (AAVs) - \$600.

ESTIMATED NUMBER OF ENTITIES REQUIRED TO COMPLY

All telecommunications companies authorized to operate in Florida are expected to comply with the new minimum RAF requirements. As of September 25, 2006, there are 10 ILECs, 35 AAVs, 371 CLECs, 616 IXCs, 291 PATs and 31 STS that will be directly affected by the proposed rule amendment.

RULE IMPLEMENTATION, ENFORCEMENT COST AND IMPACT ON REVENUES FOR THE AGENCY AND OTHER STATE AND LOCAL GOVERNMENT ENTITIES

The new minimum RAF would impose aggregate cost increases for the regulated industry. Companies complying with the new minimum RAF would be required to pay new minimum RAF increases ranging from 100% - 1,900% above the old minimum RAF. Given the increase in the minimum RAF, some of the currently certificated holders would likely not renew their certificate. The Commission however would benefit from the new minimum RAFs. It is

estimated that the new minimum RAF would result in approximately \$513,000 in new revenue for the FPSC. Assuming all current companies retain their certifications and registrations active, the new revenue from the proposed new RAFs would be allocated to each subindustry as follows: (values are approximations)

- ILEC: \$0
- CLEC: \$135,000
- IXC: \$348,000
- PATS: \$15,000
- STS: \$1,000
- AAV: \$14,000

The amended rule would not create any additional cost to the FPSC. Because of the numerous subindustry companies, the amended rule should not impair or injure competitive outcomes in Florida's telecommunications market. There should be no negative cost or revenue impact for other state and local government entities unless they hold one of the subindustry certificates and currently pay the minimum RAF.

ESTIMATED TRANSACTIONAL COSTS TO INDIVIDUALS AND ENTITIES

The \$50 minimum RAF would increase for all telecommunications companies. The recommended minimum RAFs are as follows: PATS - \$100, STS - \$100, IXCs - \$700, CLECs - \$600, ILECs - \$1,000 and AAVs - \$600. In 2005, the following number of companies, by company type, paid RAF in an amount greater than the proposed new minimums: 9 AAVs, 39 CLECs, 79 IXCs, 54 PATS, and 3 STS. All ILECs paid in excess of the proposed new amount; hence, there is no cost impact for this subindustry group.

As a result of the amended rule, maintaining compensatory funding for the Commission benefits Florida consumers because the Commission would have the necessary resources to continue assisting citizens with their telecommunications issues. The prices that consumers would pay for the telecommunications services affected by the new minimum RAF may result in negligible or slight increases in those markets where the demand for telecommunication services is relatively price-inelastic.

IMPACT ON SMALL BUSINESSES, SMALL CITIES OR SMALL COUNTIES

The amended rule would have minimal impact on small businesses. If the small business is a customer of telecommunications services, it would face slight, but negligible price increases for telecommunications services caused by production costs being transferred to end-users. If the small business is a provider of telecommunications services, some companies, i... e. PATS or CLECs may no longer choose to be a market player and discontinue operations due to the higher minimum RAF.

Small counties and small cities who are buyers and sellers of telecommunication services may experience impacts similar to small businesses. There should be no negative impact on these municipal providers of telecommunication services.
