-M-E-M-O-R-A-N-D-U-M- COMMISSION CLERK

DATE: November 27, 2006
TO: Blanca S. Bayó, Commission Clerk and Administrative Services Director
FROM: Roberta S. Bass, Assistant to Chairman Edgar *RSB*
RE: Meeting in Docket No. 060555-EI

On November 20, 2006, Chairman Edgar met with Frank Meiners, representing renewable generators. The Commission proposed rule amendments to Rule 25-17.0832, F.A.C., Firm Capacity and Energy Contracts (Docket No. 060555-EI) were discussed at the meeting, including the differences between the current rule and the proposed rule.

Under Section 350.42(1), F.S., Commissioners may consider ex parte communications in Section 120.54, F.S. rulemaking proceedings. There are, however, other open dockets before the Commission addressing similar subject matters. Conversations regarding the specific issues in these dockets would be prohibited. While our discussions focused only on the proposed rule language in Docket No. 060555-EI, in an abundance of caution I am requesting that this memo be placed in Docket Nos. 050805-EQ, 050806-EQ, and 050810-EQ.

If you have any questions regarding this request, please let me know.
