RE: Docket 060718-TP Approval of the Interconnection, unbundling, resale and collocation agreement negotiated by BellSouth Telecommunications, Inc. and MCImetro Access Transmission Services, L.L.C. dba Verizon Access

Dear Ms. Bayo:

On November 2, 2006 BellSouth and **MCImetro Access Transmission Services, L.L.C. dba Verizon Access** filed an Interconnection, unbundling, resale and collocation agreement for Florida Public Service Commission approval. The agreement was inadvertently filed as a new docket. However, the agreement should be filed in the MCI arbitration docket, 050419-TP.

Please use this letter to correctly file the agreement in the correct docket 050419-TP. I would appreciate your assistance in correcting the filing and record in question.

Very truly yours,

Jerry D. Hendrix/RN
Regulatory Vice President
