RE: Notification of migration of Global Telecom Group dba Florida Phone
Service Customers to FLATEL Platform

Dear Sir or Madam:

On behalf of FLATEL, Inc. this letter is to advise the Commission of our intention to migrate the customers of Global Telecom Group dba Florida Phone Service over to our platform and further request of the commission a waiver of rule 25-4.118 in reference to slamming. Respectfully, it is our understanding, based upon review of the applicable statutes and regulations, that this transaction does not require prior Commission approval, as this action is with the customer's best interest in mind.

Mr. Aiman Awida of Global Telecom Group informed us that they would not be able to continue to offer telephone service in the state of Florida at this time and have requested that in order to provide telephone service without interruption to their customers that their entire base of BellSouth customers be transferred to FLATEL, Inc. as quickly as possible. Unfortunately, there is not much time to allow us to obtain written letters of authorizations or third party verifications. It is our understanding that the Customers service will be interrupted by this Friday if the switch is not made.

FLATEL, Inc. has agreed to do this transfer and provide service to the customer for the remainder of their current month of service at no cost to the customer. In an effort to reduce confusion, FLATEL has also adopted the dba Global Telecom with the Florida Department of State Division of Corporation (attached) and is requesting the Commission include it in our records. FLATEL will bill the customer as such with the same pricing and Service Plans. Should the customer choose to continue their service with FLATEL, the customer will be responsible to FLATEL, Inc. for additional service going forward or switch their service to the Carrier of their choice.

FLATEL, Inc. is a certified CLEC in the State of Florida since 1998 and services mostly residential pre-paid local telephone customers. We are a privately held Florida corporation with principal offices located at 2300 Palm Beach Lakes Blvd. Suite 100, West Palm Beach, FL. 33409 Our certification number is TX-164.

Your approval of our actions and waiver of rule 25-4.118 will accomplish the following:

- Global Telecom Group Customer's phone service will not be interrupted.
- Global Telecom Group Customers will be able to continue service without interruption, loss of telephone number and keeping the current Pricing and Plan.
- Create a single, larger provider of residential local telephone service, facilitating efficiencies that would benefit all of FLATEL's customers.

The customers of Global Telecom Group will be given the opportunity to receive telecommunications services from FLATEL, Inc. or may choose to switch their service to another carrier. (The notification will be by bill insert, a sample copy is attached as Exhibit "A").

As per my conversation with Mr. Ray Kennedy of the Florida Public Service Commission and in the best interest of the customers, we will proceed with the migrations as soon as possible with anticipation the waiver of rule 25-4.118 will be accepted.

If you need any further information or have any questions regarding the matters discussed herein, please contact me. I sincerely appreciate your understanding and thank you for your assistance in this very important matter.

Best Regards,

Mr. Abby Matari
