3, 2005 Request"). FPL's initial filing consists of the Request for Confidential Classification and Exhibits A through D. FPL adopts and incorporates by reference its March 3, 2005 Request, including Exhibits A, B, C and D

3. By Order No. PSC-05-0712-CFO-EI dated June 30, 2005, the Commission granted FPL's March 3, 2005 Request.

4. The period of confidential treatment granted by the Commission will soon expire. All of the information that was the subject of FPL's March 3, 2005 Request warrants continued treatment as proprietary and confidential business information with the meaning of section 366.093(3). Attached as Exhibit C hereto is a table containing a line-by-line and page-by-page identification of the information for which continued confidential treatment is sought and, with regard to each document or portion thereof, reference to the specific statutory basis or bases for the claim of confidentiality and to the affidavits in support of the request classification. Exhibit C is sometimes referred to hereinafter as the "Revised Justification Table."

5. Included herewith and made a part hereof as Exhibit D are the affidavits of Pamela L. Sonnelitter, Robert H. Adams, Jr., Frank Irizarry, Keith White and Paul J. Seiler, which affidavits shall supplement Exhibit D previously filed on March 3, 2005.

6. FPL submits that the information identified on the Revised Justification Table is proprietary confidential business information within the meaning of section 366.093(3)(d). Pursuant to section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any

further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. The statutory bases for FPL's assertion of confidentiality with regard to each document or portion thereof are set forth in the Revised Justification Table under the column entitled "FLORIDA STATUTE 366.093(3)." The letters (a) through (f) refer to subsections of section 366.093(3), as applicable. Support for FPL's request to extend confidential classification for the referenced materials is provided through the affidavits of Pamela L. Sonnelitter, Robert H. Adams, Jr., Frank Irizarry, Keith White and Paul J. Seiler that are attached as Exhibit D. The revised Justification Table identifies the basis for FPL's assertion of confidentiality with regard to each document or portion thereof.

8. FPL submits that the highlighted information in Exhibit A to the March 3, 2005 Request continues to be proprietary confidential business Information within the meaning of section 366.093(3). As indicated in the affidavits of Pamela L. Sonnelitter, Robert H. Adams, Jr., Frank Irizarry, Keith White and Paul J. Seiler, all of the highlighted portions of Exhibit A include information that contains or constitutes internal audit controls or reports, or information relating to same. Such information is entitled to protection under section 366.093(3).

9. The material for which FPL seeks continued confidential classification is intended to be and is treated by FPL as private and has not been disclosed. Nothing has changed since the issuance of Order No. PSC-5-0712-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate.

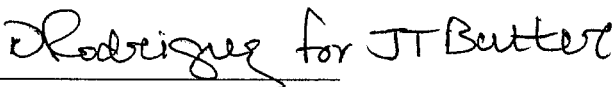

10. Accordingly, FPL requests that the information identified in the Revised Justification Table and highlighted in Exhibit A to the March 3, 2005 Request and

referenced in Order No. PSC-05-0712-CFO-EI be accorded confidential classification for an additional eighteen month period. FPL further requests that the information be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the above and forgoing reasons, as more fully set forth in the supporting materials and affidavits included herewith or incorporated herein by reference, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification Granted by Order No. PSC-05-0712-CFO-EI of Certain Material Obtained Pursuant to Audit Control No. 04-343-4-1 be granted.

In re: Petition for authority to recover prudently incurred storm restoration costs related to 2004 storm season that exceed storm reserve balance, by Florida Power & Light Company.) Docket No. 041291-EI

STATE OF FLORIDA)) AFFIDAVIT OF ROBERT H. ADAMS, JR.)) COUNTY OF DADE)

BEFORE ME, the undersigned authority, personally appeared Robert H. Adams, Jr., who, being first duly sworn, deposes and says:

1. My name is Robert H. Adams, Jr. I am currently employed by Florida Power & Light Company ("FPL") as Director of Power Systems Cost and Performance. My business address is 9250 West Flagler Street, Miami, FL 33174. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information for which I am listed as Affiant and which are included in Exhibit A to FPL's Request for Confidential Classification of Certain Materials Provided in Connection with the Storm Cost Recovery Audit No. 04-343-4-1. Documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual vendor data, such as pricing and other terms, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms in the future to the detriment of FPL and its customers. Further, certain information claimed confidential contains or constitutes competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred since the issuance of Order No. PSC-05-0712-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of not less than eighteen months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
