To Whom It May Concern:

We represent John Terry Lee, the duly appointed and acting Trustee for the bankruptcy estate of Southern Telecom Network, Inc. Please find attached a copy of the order appointing this office as the Trustee's representative, notice of the Trustee's appointment and proof of the case filing.

The debtor commenced its voluntary chapter 11 case on 20th April 2006. The case was converted to one under chapter 7 on 19th July 2006 whereupon all assets of the debt became property of the bankruptcy estate.

STN representatives indicate that STN was doing business in your state via a COA or SPCOA or like license granted by your agency. It has come to our attention that an STN representative, its President Kathy Robins, in October 2006, nearly three months after the case was converted, attempted to transfer the SPCOA of STN to another entity owned by Ms Robins. This occurred in the state of Texas. There is not now nor has there been any Bankruptcy Court authorization for any such a transfer.

To the extent that STN or Ms Robins or any other person other than the Trustee by court order attempts to make a transfer of any asset, including any license given by your agency, such an action is not authorized by the Trustee and we request that you inform this office immediately if any such transfer has been attempted or is later attempted.

I am happy to speak to you regarding this matter at any time. Thank you.
