Re: Docket No. 060254-SU - Application for increase in wastewater rates in Pinellas County by Mid-County Services, Inc.

Dear Mr. Friedman:

Wastewater plant account balances were set pursuant to Order No. PSC-04-0819-PAA-SU, issued August 23, 2004, in Docket No. 030446-SU, In re: Application for rate increase in Pinellas County by Mid-County Services, Inc. According to the utility's MFRs, the 13-month average balances for Accounts 354 and 380, before utility and staff adjustments, were \$40,783 and \$2,921,960, respectively. The relative size difference between these accounts were not materially different after adjustments.

CMP _____ In the MFRs for the current case, the balance in Account 380 for November 2005 is
COM _____ \$2,756,800. The balance in this account for December 2005 is \$688,618. This is a significant
CTR _____ reduction. Correspondingly, Account 354 shows an increase from November 2005 to December
ECR _____ 2005 of \$2,386,848. (November 2005 balance of \$209,795 versus December 2005 balance of
GCL _____ \$2,596,643). It appears from a review of the utility's 2005 Annual Report that most of the
OPC _____ balance in Account 380 was reclassified to Account 354.

RCA _____ Therefore, staff requests the following information to complete this application:

SCR _____ 1. Provide a breakdown, by primary account, of all plant reclassifications in 2005 that
SGA _____ were associated with the \$2,068,183 reduction to Account 380, and provide a detailed
SEC _____ explanation for why each reclassification was needed.
