Dear Ms. Isler:

As Chapter 7 Trustee of the above-referenced Debtor, I would request that the IXC registration for the Debtor be canceled and that the State of Florida write off any unpaid regulatory assessment fees.

If you need anything further, please do not hesitate to contact me.

Have a wonderful Holiday Season!

Dear Ms. Tomsic:

Have you made a decision about Corporate Services Telcom's IXC registration yet? Just as information, the registration does not hold any value in that if the company decides to get back in the long distance market, there is no application fee for re-registering. I hope you had a wonderful Thanksgiving and I appreciate your time. Thanks.

Dear Ms. Isler:

You got the right person. I am in the process of reviewing your request with my attorney. I do not believe there will be an issue with honouring your request. I will send you an e-mail by the end of this week.
