RE: Docket No. 060501-TX - Investigation and determination of appropriate method for estimating and making payment of TASA surcharges, as required by Rule 25-4.160, F.A.C., to Florida Telecommunications Relay, Inc. by Verizon Select Services, Inc.
CLOSURE OF DOCKET

In Order No. PSC-06-0730-PAA-TX, issued August 30, 2006, the Commission approved the method used by Verizon Select Services, Inc. (VSSI) to estimate the amount of TASA surcharges owed to Florida Telecommunications Relay, Inc.(FTRI). The Commission ordered the company to remit to FTRI the amount of \$130,638.28, plus interest of \$31,225.63, for a total payment of \$161,863.91, no later than September 30, 2006. The Commission also ordered that the docket shall be closed administratively if determined that VSSI complied with the provisions of the Order.

On September 25, 2006, the Commission issued Order No. PSC-06-0795-CO-TX making Order No. PSC-06-0730-PAA-TX final and effective. On the same date, the Commission received VSSI's final report indicating that the payment was sent via overnight mail to FTRI on September 20, 2006. Hence, staff determined that VSSI has complied with the Commission's Order and this docket may now be closed administratively.
