Hi, Kay/Hong.

It appears in CMS that a protest was filed late in the docket above. I'm trying to figure out if the protest was received timely or not. Do you have any information that could help me? Maybe like a tracking number from a package/envelope?

Thanks!

Kira, here is the e-mail with attached protest. As you can see it was sent at 5:04 p.m. yesterday. We also received it at 5:04, so it is considered filed today.

Just fyi, Dorothy did have a call from this law firm just a few minutes before 5 yesterday and they wanted to know about e-filing a document or whether we would refer to the postmark for timely filing. She explained to them we had to have it by 5 on the date due if e-filed and that we do not tie timeliness to postmark dates.

Let me know if other questions.

Kay
