Good Morning Marguerite:

In response to your question regarding documents 06789-03 and 03072-01.

Document Nos. 06114-03 and 06789-03 were held as confidential pursuant to Commission Order No. PSC-05-0588-CFO-EI. That confidential period has lapsed on about November 27, 2006, and it appears that no petition for an extension of the confidential period is pending. Document 061140--03 should be returned to the Division and Document No. 06789-03 should be returned to the source.

Documents 03072-01 and 03753-01 were claimed as confidential on or about March 21, 2001 in Docket 010000. Five years have lapsed since Docket 010000 closed on December 31, 2001. Since these documents pertain to a claim concerning telecommunications information and the retention period of 5 years has expired, I would recommend that Document No. 03072-01 be shredded and Document No. 03753-01 be returned to the source.

Hi Bob,

DN 06789-03 was declassified on 11/27/06 & no requests for extension have come in on it....is it OK to return to FPL ??? or place in docket file ?????

Also,

DN 03753-01 was declassified on 12/31/06. If no requests for extension's are rec'd. within 21 days, is it ok to return to Donna McNulty with MCI Worldcom ? or place in docket file ?
