OK, per this e-mail, i will declassify DN 00343-07 & place it in the public docket file, since the party never did officially claim confidential treatment.  
thanks.

Hi Marquerite,

I gave CCA the go-ahead to make an affidavit in this docket confidential. However, it looks like Michael Russ did send the letter AND the affidavit to all parties. What can we do to rescind the affidavit assignment. I have a call into the technical staff who just spoke with one of the parties of record.

Please let me know at your convenience.
