Docket No. 060581-TP – Petition of Alltel Communications, Inc. for designation as eligible telecommunications carrier (ETC) in certain rural telephone company study areas located partially in Alltel's licensed area and for redefinition of those study areas.

Docket No. 060582-TP – Petition of Alltel Communications, Inc. for designation as eligible telecommunications carrier (ETC) in certain rural telephone company study areas located entirely in Alltel's licensed area.

Issue 1: Does the Commission have authority to designate a commercial mobile radio service provider as an eligible telecommunications carrier?

Recommendation: Yes. Staff believes with the enactment of Section 364.011, Florida Statutes, the legislature has granted the Commission limited authority over CMRS providers to those matters specifically authorized by federal law. Because pursuant to §214(e)(2) of the Act, states are authorized to designate eligible telecommunications carrier status on CMRS providers, staff believes the Commission has authority to consider applications by CMRS providers for ETC designation.
