**RE:** Request to close docket for docket number 060821-EI - Application for water and wastewater certificates in St. Lucie County by Cloud Grove Utilities, Inc.

---

On December 22, 2006, Cloud Grove Utilities, LLC (Cloud Grove or company) filed its Application to Operate a Water and Wastewater Utility in St. Lucie County, Florida and Motion for a Temporary Rule Waiver (Application). On January 9, 2007, Cloud Grove filed its formal withdrawal of its Application.

Pursuant to Section 2.07-2 of the Commission's Administrative Procedures Manual (APM), the Division of Commission Clerk and Administrative Services (CCA) may administratively close dockets under certain circumstances. Specifically, as in the instant docket, when the petitioner seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, CCA may administratively close a docket. Further, the company has not requested a refund of its filing fee and no agency action has been taken with respect to the company's Application.

For the above stated reasons, staff requests that Docket No. 060821-WS be administratively closed. Thank you for your assistance with this matter.
