Dear Ms. Bayó:

I would like to apologize for any confusion which may have been caused in sending the previous documents for docketing- the affidavit and the copy thereof. I failed to send a certificate of service attesting that those documents were sent to the other parties of record. Please find enclosed the certificate of service. Copies of these documents have been sent on the parties of record via United States First Class Mail, the proper postage paid on each. Please docket and file these documents accordingly.

Should you have any questions or concerns I will be more than happy to discuss them with you. You may contact me at the address listed above.
