TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper-right corner of the sheet. Pages are numbered sequentially, however, when a new page is added between existing pages with whole numbers, a decimal is added. For example, a new page added between Page 34 and Page 35 would be Page 34.1.
- B. Sheet Revision Numbers** - Revision numbers also appear in the upper-right corner of the page. These numbers are used to determine the most current page version on file with the Commission. For example, 4th Revised Page 34 cancels 3rd Revised Page 34.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level of coding.
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.

 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(1)
- D. Check Sheets** - When a tariff filing is made with the Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular page is the most current sheet on file with the Commission.

SECTION 2 – RULES AND REGULATIONS**2.1 Provision of Service**

Carrier provides long distance message toll telephone service to customers for their direct transmission of voice, data, and other types of telecommunications. The service is provided to multiple users.

Communications originate when the customer accesses Carrier directly or through the facilities of the local service carrier via one or more access lines, equal access or on a dial-up basis. Carrier may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Carrier network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services are provided on a monthly basis unless otherwise stated in a service agreement and are available twenty-four (24) hours per day, seven (7) days per week.

2.2 Limitations on Service

2.2.1 Carrier reserves the right to provide services only to and from locations where the necessary facilities and/or equipment are available. Carrier provides service subject to the provisions of this tariff.

2.2.2 Carrier reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff or in violation of the law.

2.2.3 Title to all equipment provided by Carrier under these regulations remains with Carrier. Carrier's prior written permission is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service

2.3 Use of Service

Service may not be used for any unlawful purposes or for any purpose for which any payment or other compensation is received by the customer, except when the customer is a duly authorized and regulated common carrier.

SECTION 2 – RULES AND REGULATIONS, (CONT'D.)**2.4 Limitation of Liability**

- 2.4.1** Carrier shall not be liable to any person, firm or entity for damages, either direct, indirect, consequential, special, incidental, actual, punitive, or for any other damages or for any lost profits of any kind, arising out of mistakes, accidents, errors, omissions, interruptions, delays or defects in transmissions, not caused by the negligence of the customer, commencing upon activation of service and in no event exceeding an amount equivalent to the proportionate charge to the customer for the period of service during which the mistake, accident, error, omission, interruption, delay or defect in transmission occurred.
- 2.4.2** Carrier will indemnify the customer and hold it harmless in respect to any loss, damage, liability or expense asserted against the customer by a third party on account of any property damage or personal injury caused by any negligence or willful misconduct of Carrier or its agents or representatives arising out of performance by Carrier of any testing or other activities on the customer's premises pursuant to this tariff. Carrier's obligations under the preceding sentence shall be subject to the customer's full performance of this tariff and subject further to the customer's duty to take reasonable precautions in the location, construction, maintenance and operation of all activities, facilities and equipment for the protection against hazard or injury and so as to not interfere with the services provided by Carrier.
- 2.4.3** Carrier shall be indemnified and held harmless by the customer against:
- (A)** Claims for libel, slander, infringement of patent or copyright or unauthorized use of any trademark, trade name, or service mark arising out of the material, data information, or other content transmitted over the carrier's facilities; and
 - (B)** All other claims arising out of any act or omission by the customer in connection with any service provided by Carrier.
- 2.4.4** With respect to the routing of calls by Carrier to public safety answering points or municipal Emergency Service providers, Carrier's liability, if any, will be limited to the lesser of: (a) the actual monetary damages incurred and proved by the Customer as the direct result of Carrier's action, or failure to act in routing the call, or (b) the sum of \$1,000.00.

2.7 Customer Responsibility

2.7.1 All customers assume general responsibilities in connection with the provisions and use of Carrier's service. When facilities, equipment, and/or communication systems provided by others are connected to Carrier's facilities, the customer assumes additional responsibilities. All customers are responsible for the following:

- (A) The customer is responsible for placing orders for service, paying all charges for service rendered by Carrier and complying with all of Carrier's regulations governing the service. The customer is also responsible for assuring that its users comply with regulations.
- (B) When placing an order for service, the customer must provide:
 - 1. The name(s) and address(es) of the person(s) responsible for the payment of service charges.
 - 2. The name(s), telephone number(s), and address(es) of the customer contact person(s).
- (C) The customer must pay Carrier for the replacement or repair of Carrier's equipment when the damage results from:
 - 1. The negligence or willful act of the customer or user;
 - 2. Improper use of service; or
 - 3. Any use of equipment or service provided by others.
- (D) After receipt of payment for the damages, Carrier will cooperate with the customer in prosecuting a claim against any third party causing damage.

SECTION 2 – RULES AND REGULATIONS, (CONT'D.)**2.7 Customer Responsibility, (Cont'd.)****2.7.2 Maintenance, Testing and Adjustment**

Upon reasonable notice, the equipment provided by Carrier shall be made available for any testing and adjustment which may be necessary to maintain them in satisfactory condition. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.7.3 Deposits

The Company does not require a deposit from the customer.

2.7.4 Advance Payments

For customers whom the Company feels an advance payment is necessary, Carrier reserves the right to collect an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges and, if necessary, a new advance payment will be collected for the next month.

2.7.5 Credit Allowances

Credit for failure of service or equipment will be allowed only when failure is caused by or occurs in equipment owned, provided and billed for, by Carrier.

- (A) Credit allowances for failure of service or equipment starts when the customer notifies Carrier of the failure or when Carrier becomes aware of the failure and ceases when the operation has been restored and an attempt has been made to notify the customer.
- (B) The customer shall notify Carrier of failures of service or equipment and make reasonable attempts to ascertain that the failure is not caused by customer provided facilities, any act, or omission of the customer or in wiring or equipment connected to the terminal.

- (A) No credit shall be allowed for an interruption of less than two hours.
- (B) The customer shall be credited for each hour or major fraction thereof that an interruption continues beyond two hours.
- (C) When a minimum usage charge is applicable and the customer fails to meet a usage minimum, credit for the outage shall be applied against that minimum equal to 1/360th of the monthly minimum charges associated with the portion of service disabled beyond two hours.
- (D) Customers have up to 60 days (commencing 5 days after remittance of the bill) to initiate a dispute over charges or to receive credit.

2.8.2 Cancellation Credit

Where Carrier cancels a service or the provision of equipment and the final service period is less than the monthly billing period, a credit will be issued for any amounts billed in advance, prorated at 1/30th of the monthly recurring charge for each day the service was not rendered or the equipment was not provided. This credit will be issued to the customer or applied against the balance remaining on the customer's account.

SECTION 2 – RULES AND REGULATIONS, (CONT'D.)

2.8 Carrier Responsibility, (Cont'd.)

2.8.3 Disconnection of Service by Carrier

Carrier, upon 5 days written notice to the customer, may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:

- (A) Non-payment of any sum due to Carrier for service for more than thirty days beyond the date of rendition of the bill for such service;
- (B) A violation of any regulation governing the service under this tariff;
- (C) A violation of any law, rule, or regulation of any government authority having jurisdiction over the service; or
- (D) Carrier is prohibited from furnishing services by order of a court or other government authority having jurisdiction.

2.8.4 Fractional Charges

Charges for a fractional part of a month are calculated by counting the number of days remaining in the billing period before service was discontinued, dividing the number of days remaining in the billing period by thirty days and multiplying the resulting fraction by the monthly charge.

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Timing of Calls

Billing for calls placed over the network is based in part on the duration of the call.

- 3.1.1** The customer's monthly usage charges for Carrier service are based upon the total number of minutes use by the customer and the service options subscribed to. Chargeable time begins when a two way communication is established between the calling party and the called party or PBX. Chargeable time ends when either party "hangs up."
- 3.1.2** Chargeable time for all calls ends when one of the parties disconnects from the call.
- 3.1.3** Minimum call duration for billing purposes is one minute unless otherwise specified in the individual rate schedules of this rate sheet.
- 3.1.4** Calls are measured and billed in one minute increments unless otherwise indicated in this rate sheet. Any partial minute is rounded up to a full minute.
- 3.1.5** There is no billing applied for incomplete calls.

SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)

3.2 Start of Billing

For billing purposes, the start of service is the day following acceptance by the customer of Carrier's service or equipment. The end of service date is the day on which services or any portion of thereof was discontinued.

3.3 Interconnection

Service furnished by Carrier may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by Carrier. Service furnished by Carrier is not part of a joint undertaking with such other carriers. Any special interface equipment of Carrier and other participating carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of other carriers' tariffs. The customer is responsible for taking all necessary legal steps for interconnecting his customer - provided terminal equipment or communications systems with Carrier 's. The customer shall secure all licenses, permits, right-of-ways, and other arrangements necessary for such interconnection.

SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**3.4 Terminal Equipment**

Carrier's service may be used with or terminated in customer provided terminal equipment or customer provided communication systems, such as teleprinters, handsets, or data sets. Such terminal equipment shall be furnished and maintained at the expense of the customer. The Customer is responsible for all costs at his premises, including customer personnel, wiring, electrical power, and the like incurred in his use of carrier's service.

The customer shall comply with the minimum protective criteria generally accepted in the telephone industry and other criteria as may be prescribed by Carrier. The customer shall ensure that his terminal facilities are of the proper mode, band-width, power, data, speed, and signal level for the intended use of the customer, and that the signals do not damage Carrier's equipment, injure personnel or degrade service to other customers.

If the customer fails to maintain and operate his terminal equipment properly, resulting in the occurrence or possibility of harm to Carrier's equipment or personnel, or impairment to the quality of service to other customers, Carrier may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety of service, Carrier may, upon written notice, terminate the customer's service.

3.5 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The company uses the rate centers and associated vertical and horizontal coordinates currently used within the telephone industry.

Formula:

$$\sqrt{\frac{(V_1V_2)^2 + (H_1H_2)^2}{10}}$$

SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**3.6 Minimum Call Completion Rate**

The customer can expect a call completion rate of 99% per 100 calls attempted during peak use periods for all Feature Group D (1+) services. Carrier will engineer its switching systems on the basis that ninety-nine percent (99%) of the customers accessing their system will be served during the busy hour.

3.7 Hearing or Speech Impaired Persons

Rates for calls are reduced for residence or single-line business customers who meet the following requirements:

- 3.7.1** The customer is certified to the Company as having a hearing or speech impairment that prevents telephone voice communications.
- 3.7.2** The customer uses a telecommunications device for the deaf (TDD) or other non-voice equipment for telecommunications.
- 3.7.3** The customer provides a written application to Company for reduced rates.
- 3.7.4** The customer designates to the Company one telephone number associated with that customer's service and telecommunications device.
- 3.7.5** Special Rates for Hearing or Speech Impaired

Intrastate toll message rates for hearing and speech impaired persons meeting the above requirements shall be those rates set forth in Section 4 of this tariff.

SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**3.8 Legacy Operator Services**

A service provided to host locations for use by transient End users. This service anticipates the provision of Operator Services and/or billing options. Service is offered under this Tariff to Aggregators throughout the United States for interstate calling. Calls are routed over transmission and switching facilities of the underlying carrier to any valid NPA-NXX in the United States.

Calls are measured as described in Sections in this tariff and rated based on time of day, call duration and mileage. Per-minute usage sensitive charges, as well as per-call operator service charges apply.

3.8.1 Operator Service Call Types

Credit Card - A service whereby the End User placing the call bills the call to a commercial credit card, such as MasterCard, VISA, American Express or Diners Club

Telco Card - A service whereby the End User placing the calls bills the call to a Telephone Company issued Calling Card, with or without Operator Assistance.

Operator Station - A service whereby the End User places a station to station call which is billed via credit card, calling card, collect or third party with the assistance of an operator (live or automated)

Person-to-Person - A service whereby the End User originating the call specifies a particular person to be reached, or a particular station, room number, department, of office to be reached through a PBX attendant. A Person-to-Person call may be billed to the called party, a third number, a credit card or a calling card.

Time and Charges - A service whereby the End User requests the Company to monitor the start and stop time of a call for the purpose of on-site payment and/or other call accounting purposes.

INTEREXCHANGE TELECOMMUNICATIONS SERVICES

SECTION 4 - RATES, (CONT'D.)**4.9 Exemptions and Special Rates****4.9.1 Discounts for Hearing Impaired Customers**

A telephone toll message which is communicated using a telecommunications device for the deaf (TDD) by properly certified hearing or speech impaired persons or properly certified business establishments or individuals equipped with TDDs for communicating with hearing or speech impaired persons will receive, upon request, credit on charges for certain intrastate toll calls placed between TDDs. Discounts do not apply to surcharges or per call add-on charges for operator services when the call is placed by a method that would normally incur the surcharge.

- (A) The credit to be given on a subsequent bill for such calls placed between TDDs will be equal to applying the evening rate during business day hours and the night/weekend rate during the evening rate period.
- (B) The credit to be given on a subsequent bill for such calls placed by TDDs with the assistance of the relay center will be equal to 50% of the rate for the applicable rate period. If either the calling or called party indicates that either party is both hearing and visually impaired, the call shall be discounted 60% of the applicable rate.

4.9.2 Emergency Call Exemptions

The following calls are exempted from all charges: Emergency calls to recognizable authorized civil agencies including police, fire, ambulance, bomb squad and poison control. The Company will only handle these calls if the caller dials all of the digits to route and bill the call. Credit will be given for any billed charges pursuant to this exemption on a subsequent bill after verified notification by the billed Customer within thirty (30) days of billing.

4.9.3 Directory Assistance for Handicapped Persons

Pursuant to FPSC rules and regulations, the Company will not charge for directory assistance calls placed by handicapped customers.
