OK, except the petition specifically requests that it be effective on March 1, 2007. The companies are still providing service, so they can't be canceled before then.

Does "voluntary" necessarily need to be in the title? If they're requesting it, wouldn't that be voluntary? How do you feel about this title:

Request for cancellation of CLEC Certificate Nos. 8371 and 7804 by Acceris Management and Acquisition LLC and New Access communications LLC, respectively, acknowledgment of cancellation of IXC Registration Nos. TK011 and TJ511 by Acceris Management and Acquisition LLC and New Access Communications LLC, respectively, effective December 7, 2006, and request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., due to transfer of assets to First Communications, LLC.
