# City of North Miami

Lisa Polak-Edgar, Chair  
Florida Public Service Commission  
2540 Shumard Oak Blvd.  
Tallahassee, FL 32399-0850

Dear Ms. Edgar:

The City of North Miami Senior Citizens Advisory Board supports the City's representatives appearing before the Florida Public Service Commission (PSC) on Monday, February 5, 2007.

The Senior Citizens Advisory Board opposes Florida Power & Light's (FPL) proposed tree-trimming service schedule of six (6) years. A 3-year tree trimming schedule would better serve our seniors. There are still North Dade County residents dealing with Hurricane Wilma's tree debris issues. Medically needy elders were placed at extreme risk due to lack of tree-trimming issues, transfer pots and lines, and pole maintenance. Weeks of power outages affect the health and welfare of senior citizens, who are unable to refrigerate medicines and do other tasks of daily living.

We oppose the transmission line project as currently proposed. Our frail population would be adversely affected. Other options must be considered regarding the welfare of the City's residents.

Lisa Polak-Edgar, Chair  
Florida Public Service Commission

Thank you for your attention in this matter, and we hope the PSC will respond in a timely manner to resolve this issue.

Sincerely,

Natacha Jean-Francois

Senior Citizens Advisory Board
