SUBJECT: DOCKET NO. 060636-SU Application for transfer of control of Certificate No 137-s in
Brevard County from Eileen Rogow to Michael Abramowitz

Since we still own the utility, it is our concern as to the documents Michael Abramowitz has submitted with the PSC. Is it possible that we may have a copy of the communication and documents that the Buyer had sent (other than personal information)?

Please send via email, fax, or mail.

If there is no more deficiency in this application, would you please send us in writing that this application is completed?

Please advice as to the estimated time when this application will be finalized and approved.

Yours truly,

Philip Young

SUBJECT: DOCKET NO. 060636-SU Application for transfer of control of Certificate No 137-s in
Brevard County from Eileen Rogow to Michael Abramowitz

For the 2006 fiscal year, Michael Abramowitz has been operating the utility. Is he responsible in filing the 2006 PSC annual report? As you well know, it is virtually impossible to get any information and cooperation from Michael Abramowitz.

If Eileen Rogow is responsible, I will be filing the report using 2005 expense figures (with foot note on the report stating there will be an amendment when the information will become available) and pay the fee. Please exert your influence on Michael Abramowitz to give me the actual expenses. Then we will amend the reports once the 2006 information is made available to me.

Attached are the 2005 monthly expenses as an example. Please have Michael Abramowitz to fill in the 2006 information.

Philip Young
