To whom it may concern,

My name is Michael Abramowitz and to my experience in water or wastewater utility operations is the following: I have never had experience before purchasing Colony Park Mobile Home Village, Inc and Colony Park Utilities, Inc.

Mr. Rogow knew I was very interested in purchasing a mobile home park, and he knew my last deal fell threew days before the purchase. Mr. Rogow contacted me and offered me a chance to purchase Colony Park Mobile Home Village and Colony Park Utilities. Mr. Rogow explained to me how to run a mobile home park and utility plant and was going to continue to work with me until our relationship went south. I had no idea it involved as much as it does.

Sincerely,

Mike Abramowitz

To whom it may concern,

Re: Colony Park Utilities

I have none and never had any experience in running or operating a wastewater or any kind of utility operation. I live in Miami Beach and spend little or no time at the Colony Park Wastewater utility plant and I have no intention in spending additional time there.

Sincerely,

Gareth Grabarnick
