Re: Docket No. 000121A-TP
**In Re: Investigation into the establishment of operations support systems
permanent incumbent local exchange Telecommunications companies**

Dear Ms. Bayó:

On February 1, 2007, BellSouth Telecommunications, Inc. filed its proposed Data Notification Report for March 2007. In addition to the matters discussed therein, there is one additional matter that BellSouth Telecommunications, Inc. would like to bring to the attention of the Commission and the parties.

In its November 2006 Data Notification filed on September 27, 2006, BellSouth Telecommunications, Inc. provided notice that it would begin taking timestamps for Bulk LSRs from EDI or SGG instead of LNP Gateway. BellSouth Telecommunications, Inc. discovered a coding issue with the implementation of this item and corrected it with December data. This change has no adverse impact on CLEC results.

A copy of the same is being provided to all parties as reflected in the attached certificate of service.

Sincerely,

Robert A. Culpepper
