FPSC-COMMISSION CLERK

ORIGINAL

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Fuel and purchased power cost
recovery clause and generating performance
incentive factor

Docket No.: 070001-EI
Date: March 1, 2007

_____)
REQUEST FOR CONFIDENTIAL CLASSIFICATION

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorney and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files a request that the Florida Public Service Commission enter an order protecting from public disclosure Schedule 2 of Exhibit HRB-1 to the testimony of Herbert R. Ball dated March 1, 2007. As grounds for this request, the Company states:

1. On March 1, 2007 Gulf filed the testimony and exhibit of Herbert R. Ball. A portion of the exhibit to the testimony of Herbert R. Ball contains confidential information and was filed pursuant to a request for confidential classification.
2. The information on Schedule 2 of Exhibit HRB-1 to the testimony of Herbert R. Ball dated March 1, 2007 contains proprietary and commercially sensitive information regarding competitive interests, trade secrets and contractual matters of Gulf Power, which if disclosed to the general public would cause irreparable harm to Gulf Power. This information is entitled to confidential classification pursuant to §366.093(3)(a),(d)and (e), Florida Statutes. Schedule 2 has detailed information about the hedging activities of Gulf Power. The information provides details about the types of hedging instruments and the various contract terms utilized in Gulf's hedging activities. Specific cost information is also provided. In addition, the information provides insight and details into Gulf's hedging strategy. Gulf and other members of the market in which it competes consider this type of information to be trade secret and competitively sensitive. Gulf's competitors are not required to disclose this information or information similar to it such that Gulf could gain the same competitive advantage that its competitors would gain from this information if it were publicly disclosed. Disclosure of this information would

DOCUMENT NUMBER-DATE

01918 MAR-15

adversely affect Gulf's ability to conduct its hedging activities to the benefit of its customers. Disclosure of these contractual terms and cost information would also impair Gulf's ability to enter into contracts for the benefit of its customers.

3. The information filed pursuant to this Request is intended to be, and is treated as, confidential by the Gulf Power and has not been otherwise publicly disclosed except as discussed in paragraph one above..

4. Submitted as Exhibit "A" is a copy of Schedule 2, on which is highlighted the information for which confidential classification is requested. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of Schedule 2, which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line/field-by-field justification for the request for confidential classification.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 28th day of February 2007,

JEFFREY A. STONE
