It was my understanding that Kay was going to move these documents to the docket files. I had the companies look at the other documents which did not have a "declassified - on appeal" status in these dockets and then determined the disposition of those documents. I believe most or all were moved to the docket files. If there are still "declassified - on appeal" documents in these dockets, they should be moved to the docket files.

Dale,

On 9/29/06 CCA rec'd. a memo from GCL/Smith & CMP/Dowds (DN 09113-06) advising that all confidential documents may be returned for Dockets 990649-TP and 990649A-TP, and the dockets be closed.

The following quarterly monthly confidential reports (DNs 09852-06 & 00550-07) advised the confidential documents be retained.

At the present time, all of the confidential documents listed on the attached reports have "declassified - on appeal" status'. Dockets 990649-TP, 990649A-TP, & 990649B-TP have all closed and all appeals have been resolved.

Should these confidential documents listed be declassified and placed in the public docket file ??? or return them to the source ???

Marguerite.

Kay, per 09113-06, CCA was instructed to return all confidential documents. Should we go ahead and return the documents since dkts 990649 and 990649A have been closed and no request for further action has been filed since the dkts closure on 10/3/06.

Marguerite, please hold off on taking any action on the documents in these 2 dockets till you hear from Dale Mailhot and/or get CMP's response to the inventory.

(Let me know if questions.)
