FPSC BUREAU OF RECORDS

2. The DEP's Domestic Wastewater Section Administrator will serve as the DEP's Domestic Wastewater Project Manager.
3. Exchange of information between the DEP and the PSC shall be through the designated Domestic Wastewater Project Managers. Copies of pertinent correspondence related to wastewater management issues shall be sent to the appropriate agency's Domestic Wastewater Project Manager.

## **Water Reuse Program**

1. The PSC will designate a Reuse Project Manager.
2. The DEP's Reuse Coordinator will serve as the DEP's Reuse Project Manager for purposes of this agreement.
3. Reuse feasibility studies to be submitted to the PSC will be submitted over the signature of the DEP Reuse Coordinator or over the signature of one of the six Water Facilities Administrators located in the DEP district offices. All reuse feasibility studies provided to the PSC will be directed to the PSC's Reuse Project Manager.
4. The DEP Reuse Coordinator shall be copied on any correspondence between the PSC's Reuse Project Manager and the DEP's Water Facilities Administrators regarding reuse feasibility studies.
5. Whenever a potential conflict regarding a specific project is identified, each agency will examine the alternative solutions available and then meet to discuss the issues involved and attempt to reach an agreement before announcing a position. If an agreement cannot be reached after due deliberations, several positions may be advocated. Such disagreements, if any, will not obviate this MOU.
6. Exchange of information between the DEP and the PSC shall be through the designated Reuse Project Managers. Copies of pertinent correspondence between an agency and other parties concerning a reuse project shall be sent to the Reuse Project Manager of each agency until project completion.
7. The Reuse Coordinating Committee will continue to meet three times each year to discuss issues related to water reuse in Florida and to coordinate activities of the member agencies toward the goal of encouraging and promoting water reuse. DEP's Reuse Coordinator chairs this committee and the PSC, as a member of the committee, will continue to participate in committee activities and will continue to attend committee meetings.
8. Representatives of the individual DEP district offices, the appropriate water management districts, and the PSC will meet between two and four times each year to discuss domestic wastewater and water reuse issues. These meetings are designed to promote
