Concise explanation, justification or comments (attach additional sheet if necessary):

By letter dated March 12, 2007, Timucuan Utilities, LLC requests a deferral of this item because the utility and JEA are making progress towards the resolution of JEA's objection to Timucuan's certificate application. The recommendation will be placed back on a later agenda only if necessary (if a full resolution with JEA is not accomplished). Timucuan's deferral request letter also operates as a waiver of the 90-day time period within which the Commission must rule upon a rule waiver request. See attached.
