**Re: Staff Assisted Rate Case for Mink Associates II, LLC d/b/a Crystal Lake Club Utilities in Highlands County, Docket No. 060747-WS**

Dear Ms. Cowdery:

For the purpose of expediting your application, staff needs the following information:

1. A schedule of tests along with costs paid to outside laboratories for testing water and wastewater treatment during the test year and any testing required by DEP (not included in test year). (See example below)

Example: Water Plant

Total Coliform 5/ Month		\$12.00
TDS	2 /Month	\$14.00
Chloride	2 Quarter	\$14.00
Spec. Cond.	2 /Year	\$12.00

2. Normally, lead and cooper testing is performed every 3 years. According to your records, lead and cooper testing was conducted in September and November 05. Why did the utility test for lead and cooper twice in one year? Provide a detailed explanation.
3. Please explain the relationships between the water and wastewater utility, Mink Associate I, Mink Associate II and GDR Management.
4. How many lots are there at build out?
5. Currently, how many lots are occupied?
