Andrew,

On August 11, 2005, FPL requested confidentiality of document No. 07806-05, which was FPL's response to Staff's 5th POD, No. 55, in the FPL Rate Case. On August 17, 2005 (document no. 07966-05) you provided a recommendation stating that the information should be kept confidential. FPL has contacted me to determine whether they need to file for an extension of the confidential classification. Please let me know as soon as possible whether staff needs to retain this document or whether it can be returned to the utility.

Thank you!
