Thank you for that information, David.

I will set up a new docket based on your request below. I will also move FPL's filings [DNs 02915-07 and 02916-07] to the new docket.

FPL should be placed in a separate docket.

As and FYI, FPL just filed a request for confidentiality in Docket No. 070182. If they will need to be place in a new docket, remember to include them in the memo (creating new dockets) as well... for now, I've placed this filing in with all the others.

Thanks for all your help!

Dorothy
