Good afternoon Connie,

I have received your request to establish docket for Gulf Power for revisions to underground residential differential. The docket title appears to be incomplete. Can you confirm that you want the title to read:

Request for revisions to underground residential differential, by Gulf Power.

Also, DN 02821-07 was filed in undocketed matters. Can you please confirm whether or not you want that document moved to the new docket (Docket 070242).

Thank you.

Dorothy
