Dorothy,

I just noticed that in error, I requested a March 2, 2007 effective date for this company.

I just noticed the date received for this IXC registration form is March 5, 2007, not March 2, 2007, which is the signature date on the actual registration form. The Commission date stamp is March 5, 2007 in the documents of the docket file.

Can you please use this email to change the effective date to March 5, 2007 as stated below.

Acknowledgment of registration as intrastate interexchange telecommunications company, effective March 5, 2007, by Phone XP, L.L.C.

Thank you,
