Toni, I'm sorry, but I need more specific information. Please confirm whether or not the title change below is satisfactory and then I will make that change:

Request for approval of transfer of and name change on shared tenant telecommunications service Certificate No. 8476 from NTC Communications, L.L.C. to Shentel Converged Services, Inc. d/b/a NTC Communications.

I will then also add the STS name change prog mod B, 1, d.

Hey Toni,

The docket title does not include the request for name change that is in the staff recommendation.

Do we need to add the name change to the docket title?
