Re: Complaint against Florida Power & Light Company - Docket Number 060774-EI

Dear Mr. Smallakoff:

As you and I discussed on the telephone yesterday, Commission staff has revised the schedule for Docket No. 060774-EI to provide you with the additional time you have requested to develop information regarding your complaint. We have scheduled tentative dates for your complaint as follows: a staff recommendation will be filed by September 27, 2007, which will be addressed by the Commission at its October 9, 2007, Agenda Conference. We will need any documents and information that you wish to be considered in the staff recommendation by September 20, 2007.

This should provide you with sufficient time to prepare, but if other problems arise, please let me know.

As you also requested, here is the main telephone number for Florida's Legislative Information Services: 1-800-342-1827.

Sincerely,
