Dear Mr. Burkholder:

The Commission received your request for cancellation of the company's IXC and CLEC certificates and I need further information before we can proceed. We can cancel the certificates voluntarily, which is when a company pays all outstanding Regulatory Assessment Fees plus the current year's fees and leaves in good standing, or involuntarily, which is when certificates are cancelled on the Commission's own motion for violation of a rule or statute. Although your letter stated the company ceased operating in Florida in August 2006, we were not notified at that time. As information, the company would owe the 2006 fees regardless since the Regulatory Assessment Fee is owed if certificates are active for any day during a calendar year. And, since we were not notified that the company wished to cancel its certificates until 2007, it also owes the 2007 fees.

Both certificates owe a \$3 late payment charge for late payment of the 2005 Regulatory Assessment Fees, plus they owe the 2006 and 2007 Regulatory Assessment Fees, and the late payment charge for the 2006 fees (2006 fees were due January 30, 2007). If the company owes the minimum amount and if payment is postmarked by April 16, 2007, the total due is \$224 (\$112 for each certificate). That is broken down as follows:

- CMP
COM
CTR
ECR
GCL
OPC
RCA
SCR
SGA
SEC
OTH

- \$ 3 late payment for 2005 fee, TJ868
\$ 3 late payment for 2005 fee, TX738
\$50 Regulatory Assessment Fee for 2006 for TJ868
\$50 Regulatory Assessment Fee for 2006 for TX738
\$ 9 late payment for 2006 fee, TJ868
\$ 9 late payment for 2006 fee, TX738
\$50 Regulatory Assessment Fee for 2007 for TJ868
\$50 Regulatory Assessment Fee for 2007 for TX738

At the March 13, 2007, Agenda Conference, the minimum Regulatory Assessment Fee for IXCs was increased from \$50 to \$700 and for CLECs from \$50 to \$600. However, the new minimum amount does not become effective until April 16th. Therefore, if you want to be granted a voluntary cancellation, the company needs to pay the \$224 before April 16th. If the company decides to let its certificates cancel for cause or pays on April 16th or after, the amount would be \$1,424.

I would appreciate your review of this information and let me know as soon as possible, but no later than April 6th how the company wishes
