RE: Docket No. 060742-EU - Petition for variance from or waiver of individual metering requirements of Rule 25-6.049(5)(a), Florida Administrative Code by The Islander Owners Association, Inc.

On November 8, 2006, The Islander Owners Association, Inc. (the Islander or petitioner) filed its Petition for Variance or Waiver of Individual Metering Requirements of Rule 25-6.049(5)(a), Florida Administrative Code (Petition). On April 20, 2007, the Islander submitted the attached formal withdrawal of its Petition.

Pursuant to Section 2.07-2 of the Commission's Administrative Procedures Manual (APM), the Division of Commission Clerk and Administrative Services (CCA) may administratively close dockets under certain circumstances. Specifically, as in the instant docket, when the petitioner seeks to withdraw its initial petition and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, CCA may administratively close a docket. Further, no agency action has been taken with respect to the Islander's Petition.

Staff requests that the attached formal letter of withdrawal be included in the docket file and further requests that Docket No. 060742-EI be administratively closed. Thank you for your assistance with this matter.
