RE: Change of spelling of Name for:
Connect Paging, Inc.
d/b/a Get A Phone
Certification Docket No.: 040224-TX
May 11, 2004

Dear Sir or Madam,

Connect Paging, Inc., filed for and was granted a Certificate of authorization to resale telecommunications services in Florida in 2004, Docket No., 040224-TX.

Our application has been approved but we are having a problem with obtaining a new expanded interconnection agreement with BellSouth.

They desire that our name be changed in the Florida records to show our company as Connect Paging, Inc., d/b/a Get A Phone, instead of Connect Paging, Incorporated d/b/a Get A Phone as it is currently shown.

We would greatly appreciate it if this change can be accomplished at your earliest convenience and a letter or a copy of a new Certificate issued to show this change so that we can complete our negotiations with BellSouth for an expanded interconnection agreement as we wish to begin doing business in Florida in the second quarter of this year.

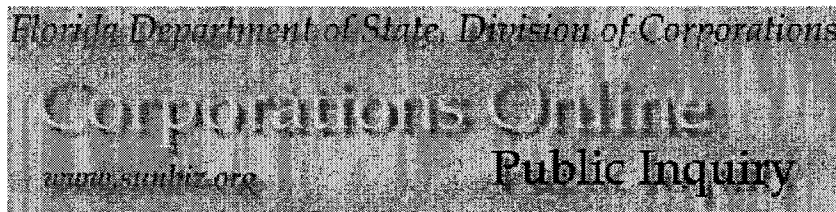

Also for your records, our mailing address has changed as our office has moved to: 112 E. Seminary Drive, Suite B, and Fort Worth, Texas 76115. I believe that I have noted this change in our records but wanted to mention it in case there is a special form that should be completed to show this in your records.

Should you have any questions please do not hesitate to contact me by email or by telephone at the direction shown above as I am working from a remote location. Your understanding in this matter will be greatly appreciated.

Sincerely,

Joyce Howard

Ms. Howard,,

A name change request is an administrative function. You can filing a letter with the Commission, on company letter head, requesting the name be changed from what it is currently to what it should be. A docket will be opened and more than likely, I am the one who will process the administrative memo. There is no fee associated with the name change request and it takes approximately 30 days to process the request.

Call if you have any questions.

Subject: Name correction

Our company, Connect Paging, Inc. d/b/a Get A Phone, need to have a slight name correction on our CLEC Certificate.

Somehow, Incorporated was spelled out instead of printed as "Inc." in our name. How should this be corrected?

Your timely response will be greatly appreciated.

Sincerely,

Joyce Howard
