Marguerite:

As stated in Jennifer Brubaker's email below, on April 10, 2007, the Sierra Club, et al., filed a Notice of Intent to request confidential treatment of their response to FPL's second set of interrogatories (Nos. 3-12) and second request for production of documents (No. 3). This information is identified in CMS as DN 03064-07. The hearing was completed yesterday, and no party requested that the information be entered into the record. I have conferred with Wade Litchfield, counsel for FPL, and there are no objections to the return of the information. Therefore, as counsel for Sierra Club, I am requesting the return of the information today. If any additional information is needed to facilitate this request, please advise. I am coming by the Clerk's office in 30 minutes to pick up the documents.

Thank you in advance for your assistance.
