**Issue 2:** What is the appropriate security to guarantee the increased revenues collected under the temporary proposed agency action rates?

**Recommendation:** The utility should be required to open an escrow account or file a surety bond to guarantee any potential refund of revenues collected under interim conditions. If the security provided is an escrow account, the utility should deposit 19.39% of water and 19.94% of wastewater revenues into the escrow account each month. Otherwise, the surety bond should be in the amount of \$910,583. Pursuant to Rule 25-30.360(6), F.A.C., the utility should provide a report by the 20th of each month indicating the monthly and total revenue collected subject to refund. Should a refund be required, the refund should be with interest and undertaken in accordance with Rule 25-30.360, F.A.C.
