RE: Docket No. 070069-TP - Request for approval of paging interconnection agreement between Embarq Florida, Inc. and American Messaging Services, LLC.

By letter received January 19, 2007, Embarq Florida, Inc. filed a request for approval of the paging interconnection agreement with American Messaging Services, LLC. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved. The statutory deadline for the Commission to take action on this matter was April 19, 2007.

Staff reviewed the agreement in this Docket on April 13, 2007 and May 3, 2007. The agreement met the criteria outlined in Section 2.07.C.5.d of the Administrative Procedures Manual. Therefore, it has gone into effect by operation of law in accordance with Section 252(e)(4) of the Telecommunications Act of 1996. Accordingly, with this Memorandum, the docket is hereby closed.
