Case Background

The Florida Natural Gas Association (“FNGA”) is a natural gas trade association representing investor-owned, special gas district, municipal Local Distribution Companies (LDCs), gas transmission companies, gas marketing companies, and others affiliated with the natural gas industry. FNGA’s members include Florida’s seven investor-owned gas distributors and twenty-nine of the thirty-one special district and municipal distribution systems. Each LDC member is subject to the regulatory jurisdiction of this Commission for gas safety under Chapter 368, Part I, Florida Statutes, and Rule 25-12.045, Florida Administrative Code (“F.A.C.”). Rule 25-12.045, F.A.C., applies directly to FNGA’s LDC members, and FNGA meets the definition of “person” as referenced in Section 120.542, Florida Statutes, and defined in Section 120.52(13),
