Item No. 10 - Docket 060255-SU - DN 11778-06.

I've looked at the original recommendation and the duplicate sentences are in the recommendation that was filed with the clerk's office, so the PDF DN has to stay the way it is to indicate an exact copy of the original document filed.

Hi Folks,

The same holds true for this recommendation. The Word Version is correct while the PDF contains the error addressed in Hurd's e-mail. Cheryl

Hurd, since this is on the rec, you'd want to let the staff who prepared it know.....

FYI the bottom of page 25 of the recommendation has five lines that end in the middle of a sentence. However it appears those five lines are repeated on page 26 and are part of a complete paragraph.
