To keep consistent with other companies with more than one d/b/a, it should be as I have shown above. That's my opinion of course.

Subject: New Docket 070010

Good afternoon Ray,

We have received a request for a name change in the above-referenced docket. The letter indicates that BellSouth is seeking approval for 2 d/b/a names of "AT&T Florida" and "AT&T Southeast" so that that one can be used for single state functions and/or products and services and one can be used to describe functions, activities and/or products and services that are uniform throughout the nine-state footprint. Please take a look at this filing and advise if the docket title is acceptable as it is written, or if we should add an "and" in the second name change. Thank you for your help!

Dorothy
