Applications Relating to Underground)
Service and Relocation of Facilities.)
_____)

DOCKET NO. 070320-EI
FILED: June 4, 2007

**AMENDMENT TO TAMPA ELECTRIC
COMPANY'S PETITION**

1. On May 7, 2007 Tampa Electric filed its petition for approval of several service applications relating to installation of underground distribution facilities and customer applications relating to underground service and relocation of facilities including Original Tariff Sheet No. 7.820: Application for Underground Service in an Underground Service Area.

2. After initial Staff review it was determined that a revision to the description of the customer payment described in Tariff Sheet 7.820 included in the May 7, 2007 filing was necessary to cover a wider range of customer requests.

3. In the first paragraph of Tariff Sheet 7.820 filed on May 7, 2007 the customer's payment is described as "the estimated cost difference between the requested underground service and the overhead service that would otherwise have been installed."

4. This description has been changed to "the estimated cost of facilities required for the service request that are in excess of those normally provided by the Company." Accordingly, the payment can represent either a differential or an incremental cost depending on the nature of the service request.

DOCUMENT NUMBER - DATE

04519 JUN-4 5

FPSC-COMMISSION CLERK

5. An unrelated correction was made to the second line of the second paragraph of this same document to eliminate the term "overhead" in reference to company facilities since this application is for use in an existing underground area.

6. Attached hereto as Exhibit "A" is Tampa Electric's revised Original Tariff Sheet No. 7.820 in both clean and legislative format. The company requests approval of this application form for inclusion in the standard forms section of the company's tariff. Likewise, the company withdraws the Tariff Sheet 7.820 filed on May 7, 2007.

WHEREFORE, for the reasons stated above, Tampa Electric respectfully requests that the attached Original Sheet No. 7.820 be substituted for the same sheet filed on May 7, 2007 and that the Petition as amended herein be approved.

DATED this 4th day of June 2007.

Respectfully submitted,

LEE L. WILLIS

TAMPA ELECTRIC COMPANY
APPLICATION FOR UNDERGROUND SERVICE IN AN UNDERGROUND AREA

NAME OF APPLICANT: _____ DATE: _____
SERVICE ADDRESS: _____

The Applicant requests Tampa Electric Company to furnish underground service from underground distribution facilities described as follows: _____

The Applicant agrees to pay the Company \$ _____, the estimated cost of the facilities required for the service request that are in excess of those normally provided by the Company.

The Company agrees to provide all labor and material to install the conduit and cable from the Company's facilities to the Applicant's service entrance facilities. Credit may be given for trench and backfill if provided by the Applicant upon agreement between the Company and the Applicant. The Applicant must execute the necessary self-install agreement documents provided by the company on request.

The Applicant shall remove or cause to be removed, at his expense, all trees, stumps, or any other obstructions and shall establish finish grade along the trench line prior to installation of the underground service. The Applicant is responsible for providing all landscaping, landscaping replacement, and repair to any sidewalks, driveways or piping (installed before this requested service work is completed) that may be damaged in any way as a result of the underground installation. Any repair or landscaping performed by the Company will be at the additional expense of the Applicant. The Applicant will provide for a timely and orderly installation of all underground facilities at this location and will be responsible for the location of all underground facilities in the area of this work before any construction begins.

By signing this agreement, the Applicant agrees to allow, and grants an easement for, the Company and its contractors rights of ingress and egress necessary for the construction, operation, and maintenance of its underground electric distribution lines and other equipment.

Nothing in this agreement shall be construed or have the effect of vesting in the Applicant any right, title or interest in or to any underground distribution facilities, all of which shall be and remain the property of Tampa Electric Company.

This agreement shall be binding upon the successors or legal assigns of either of the parties hereto.
