RE: Re: Docket 070098-EI, FPL Glades Need Determination

Pursuant to Public Service Commission Administrative Procedures Manual Section 2.05B.2., I am advising you that I wish to be removed from Docket No. 070098-EI, Petition for Determination of Need for Glades Power Park by Florida Power & Light Company.

Due to the date of my appointment to the Commission, I was unable to participate in the five days of hearings held on the Petition, or to ask questions and judge the credibility of the witnesses. As a result, despite my review of a two thousand page transcript and 214 hearing exhibits, I do not believe I am in a position where I can render a fully informed decision on the merits.

Thank you for your consideration and attention to this matter.
