CONTRACT FOR SALE AND PURCHASE OF WATER UTILITY SYSTEMS

THIS AGREEMENT for the sale and purchase of privately owned water utility systems (the "Agreement") is made and entered into as of the 30th day of May, 2007, by and between LENVIL H. DICKS, whose mailing address is Post Office Box 1, Lake City, Florida 32056-0001 (herein referred to as "Dicks"), and the CITY OF LAKE CITY, FLORIDA, a municipal corporation, whose mailing address is 205 North Marion Avenue, Lake City, Florida 32055 (herein referred to as "City").

RECITALS

A. Dicks is the owner and operator of a potable water distribution system (herein "Dicks Water System") providing water services to four (4) separate geographical areas in the unincorporated part of Columbia County referred to separately as the "Brandon Brent Area", the "Sealey Pine Ridge Area", the "Melton Bishop Area", and the "Clayton Smith Area".

B. The Dicks Water System is authorized by Certificate of Authorization Number 391-W issued by the Florida Public Service Commission (the "FPSC") to provide potable water service to the four (4) separate geographical areas, collectively referred to herein as the "Dicks Service Area". The FPSC Certificate Number 391-W is currently in effect and has not been revoked or cancelled.

C. Dicks presently provides potable water utility services on a retail basis to approximately 1,200 customers in the Dicks Service Area as authorized by FPSC Certificate of Authorization Number 391-W.

D. City is a governmental authority within the meaning of Section 367.071, Florida Statutes, that presently provides potable water, wastewater, and natural gas utility services on a retail basis to approximately 8,000 customers within and outside the corporate limits of the City. The City is developing reuse water facilities and plants to provide reuse water services to its customers in the near future.

E. Dicks has offered to sell the Dicks Water System to City for One Million Five Hundred Thousand and No/100 (\$1,500,000.00) dollars pursuant to and upon the terms and conditions set forth in this Agreement.

F. The City has caused an inspection and examination of the Dicks Water System to be made and has found and determined it to be in good physical condition and in proper working order.

G. The City has caused a review, study and analysis of the current income and expense statement, balance sheet and other financial data of the Dicks Water System to be made and has determined that the purchase price is fair and reasonable.

H. The City has determined that it is in its best interest and the best interest of the public and serves a valid public purpose to acquire, own, improve, operate and maintain the Dicks Water System.

NOW, THEREFORE, in consideration of the recitals, covenants, agreements,

representations, and warranties contained in this Agreement, the parties hereto agree as follows:

1. **RECITALS**. The above recitals are all true and accurate and are incorporated herein and made a part of this Agreement.

City shall have five (5) days after delivery of the Commitment to examine the same and notify Dicks, in writing, within such period pointing out any defects or objections to title. If City does not notify Dicks, in writing, of any defects or objections to title, City shall be deemed to have accepted title and this transaction shall be closed as hereinafter provided. Dicks shall have a reasonable period of time, not to exceed thirty (30) days after written notice to Dicks, within which to cure defects and objections of title and will, in good faith, exercise due diligence to do so within said period of time. City hereby covenants and agrees to indemnify and hold harmless Dicks from any and all loss, liability, costs, claims, demands, damages, actions, cause of actions and suits resulting from any damage to the Transferred Assets caused by City's negligent acts or omissions pursuant to such entry and inspection.

9. **CONSENTS AND APPROVALS OF GOVERNMENTAL AUTHORITIES.**

Prior to, or at closing, Dicks shall provide and furnish City with all necessary and required consents, approvals and authorizations from all governmental authorities, including, but not limited to, the consent and approval of Columbia County and the FPSC to the sale of the Transferred Assets from Dicks to City. In the absence of City being furnished with such consents, approvals, and authorizations, the City shall have no obligation to purchase the Transferred Assets as provided for in this Agreement.

10. **SURVEYS, PLANS AND SPECIFICATION.** Dicks shall provide City copies of all prior surveys, engineering studies, topographical surveys, plans and specifications of Dicks Water System, location maps and any other documents in the possession of Dicks, if any, deemed reasonably necessary by City to determine the exact location, size, boundaries and nature of Dicks Water System.

- (r) That Dicks has received no prepaid utility connection fees for connecting water services to any third parties' property, except as otherwise specifically provided for herein. Dicks presently is providing water services to those customers listed on Schedule "D" attached hereto and that said Schedule is a complete and accurate list of all present customers of Dicks, their addresses, the water service provided to said customers and the rates charged therefor.
- (s) Dicks is not a "foreign person" as that term is defined in the IRC Section 1441(f)(3) nor is the sale of the Transferred Assets subject to any withholding requirements imposed by the State of Florida or the Internal Revenue Code, including, but not limited to, Section 1445 thereof, and no portion of the Transferred Assets is homestead property.
- (t) Dicks has received no notice of, nor has any knowledge of, any pending or threatened taking or condemnation of the Transferred Assets or any portion thereof or of any violation of any law with regard to the Transferred Assets.

In the event that Dicks fails to perform his covenants or obligations under this Agreement, or if any of Dicks's warranties and representations hereunder are not true and correct throughout the term of this Agreement and as of the closing date, then and in such event, City shall have all rights and remedies available by contract or at law or in equity for Dick's breach, including specific performance; provided however, that any action for damages by City due to Dicks's default, shall be limited to \$25,000.00 as City's Liquidated Damages, unless (a) Dicks's default is willful or intentional; or (b) specific performance and/or the benefit of specific performance is unavailable to City, including, without limitation, due to such default materially adversely affecting City's ability to procure the approvals and consents for the sale and purchase of the Transferred Assets from all necessary regulatory authorities.

26. **MISCELLANEOUS**. Time is of the essence of this Agreement. This Agreement constitutes the entire agreement of the parties and may not be amended except by written instrument executed by all the parties hereto. The provisions of this Agreement, and all warranties, covenants, and representations made hereby by Dicks shall survive the closing hereunder. The paragraph headings are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope or contract of this Agreement or any portion thereof. This Agreement shall be binding upon and inure to the benefit of Dicks and City and their respective heirs, successors and assigns, if any. Dicks shall not assign its interest hereunder without the prior written consent of City. This Agreement shall be construed under the laws of the State of Florida.

27. **APPROVAL OF CITY COUNCIL**. Notwithstanding anything in this Agreement to the contrary, this Agreement shall not be effective or binding upon City until City holds a public hearing on the City's purchasing of the Dicks Water System as required by Section 180.301, Florida Statutes, and this Agreement is then approved by a proper resolution or ordinance adopted by the City Council of the City of Lake City, Florida.

28. **ATTORNEY'S FEES**. In the event of default by either party under the terms of this Agreement, the defaulting party shall be liable for, and agrees to pay, all costs and expenses incurred in the enforcement of this Agreement, including reasonable attorneys' fees.
