Re: Two City Plaza – 717 South Olive Avenue, West Palm Beach,
Florida 33401

Dear Mrs. Cole:

It is our understanding that Two City Plaza is a development that will include approximately 467 condominium units and that first residents are expected in/about August 2008.

The developer has informed BellSouthTelecommunications, Inc. d/b/a AT&T Florida that it has entered into an exclusive agreement with Connexion Technologies for the provision of voice, data and video communication services to residents, such that AT&T Florida may not place facilities to provide service to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1), Florida Statutes, we are writing to inform the Commission that AT&T Florida has been restricted from installing its communications facilities during the construction phase of the above property. Accordingly, AT&T Florida is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement between the developer and the alternate provider and will not be providing service to residents at the property.

Sincerely,

Nancy Sims (SH)
