Re: Notice of the Adoption by Nextel South Corp. and Nextel West Corp. (collectively "Nextel") of the Existing "Interconnection Agreement By and Between BellSouth Telecommunications, Inc. and Sprint Communications Company Limited Partnership, Sprint Communications Company L.P., Sprint Spectrum L.P." dated January 1, 2001.

Dear Ms. Cole:

Nextel South Corp. and Nextel West Corp. (collectively "Nextel") hereby provides notice to the Florida Public Service Commission that effective immediately Nextel has adopted in its entirety, the "Interconnection Agreement By and Between BellSouth Telecommunications, Inc. and Sprint Communications Company Limited Partnership, Sprint Communications Company L.P., Sprint Spectrum L.P." dated January 1, 2001 ("Sprint ICA") as amended.² The agreement has been filed and approved in each of the 9-legacy BellSouth states, including Florida³. Nextel has exercised its right pursuant to the Federal Communications Commission approved Merger Commitment Nos. 1 and 2 under "Reducing Transaction Costs Associated with Interconnection Agreements" as ordered by ("Merger Commitments") in the BellSouth - AT&T merger, WC Docket No. 06-74⁴, and 47 U.S.C. § 252(i).

¹ Sprint Communications Company Limited Partnership, Sprint Communications Company L.P. and Sprint Spectrum L.P. are collectively referred to herein as "Sprint".

² BellSouth Telecommunications, Inc. is now registered in Florida as BellSouth Telecommunications, Inc. d/b/a AT&T Florida d/b/a AT&T Southeast and is referred to herein as "AT&T Southeast."

³ For the purposes of this letter, the 9 legacy BellSouth states means: Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee. The Sprint ICA was initially approved by the Florida Public Service Commission in Dockets No. 000828-TP and 000761-TP. A true and correct copy of the 1,169 page Interconnection Agreement, as amended, can be viewed at: http://cpr.bellsouth.com/clec/docs/all_states/800aa291.pdf, and is incorporated fully herein by reference. Due to the size of the file and its general availability, we are not providing a copy of the agreement with this letter, but will provide paper or electronic copies upon request.

⁴ Merger Commitment No. 1 states:

The AT&T/BellSouth ILECs shall make available to any requesting telecommunications carrier any entire effective interconnection agreement, whether negotiated or arbitrated that an AT&T/BellSouth ILEC entered into in any state in the AT&T/BellSouth 22-state ILEC operating territory, subject to state-specific pricing and performance plans and technical feasibility, and provided, further, that an AT&T/BellSouth ILEC shall not be obligated to provide pursuant to this commitment any interconnection arrangement or UNE unless it is feasible to provide, given the technical, network, and OSS attributes and limitations in, and is consistent with the laws and regulatory requirements of, the state for which the request is made. (Emphasis added).

Merger Commitment No. 2 states:

The AT&T/BellSouth ILECs shall not refuse a request by a telecommunications carrier to opt into an agreement on the ground that the agreement has not been amended to reflect changes of law, provided the requesting telecommunications carrier agrees to negotiate in good faith an amendment regarding such change of law immediately after it has opted into the agreement.

Page 2

All relevant state-specific differences among the 9 legacy BellSouth states are already contained within the Sprint ICA, including Florida. Since the same state-specific terms are applicable to Nextel on a state-by-state basis, there are no "state-specific pricing and performance plans and technical feasibility" issues pursuant to Merger Commitment No. 1. Likewise, since the Sprint ICA is already TRRO compliant and has an otherwise effective change of law provision, there is no issue preventing Nextel from adopting the Sprint ICA in each applicable state, including Florida, pursuant to Merger Commitment No. 2.

The Sprint ICA is current and effective, although Sprint and AT&T Southeast have a dispute regarding the term of the agreement.⁵ Sprint believes the term of the agreement ends March 19, 2010 while AT&T Southeast has maintained, among other things, that the term may end no later than December 31, 2007.

Nextel has contacted AT&T Southeast regarding Nextel's adoption of the Sprint ICA, but AT&T Southeast refuses to voluntarily acknowledge and honor Nextel's rights regarding such adoption.

The Sprint ICA adopted today replaces in its entirety the existing interconnection agreement between Nextel and AT&T Southeast.

Should you have any questions regarding Nextel's adoption of the Sprint ICA, please do not hesitate to call.

Sincerely,

Douglas C. Nelson
