

VOTE SHEET

June 5, 2007

Docket No. 060256-SU – Application for increase in wastewater rates in Seminole County by Alafaya Utilities, Inc.

Issue 1: Should the Commission approve the Joint Motion Requesting Commission Approval of Settlement Agreement?

Recommendation: Yes. The Joint Motion and Settlement Agreement should be approved. The final rates produced by the Settlement Agreement are shown in Attachment B of staff's May 23, 2007, memorandum. Attachment B also shows the four-year rate reduction to the settlement rates. The utility should file a proposed customer notice and revised tariff sheets within 15 days of the Commission vote, which is consistent with the Commission's decision. The approved rates should be effective for service rendered on or after the stamped approval date of the tariff, pursuant to Rule 25-30.475(1), F.A.C., after staff has verified that the proposed customer notice is adequate and the notice has been provided to the customers. The utility should provide proof that the customers have received notice within 10 days after the date of the notice. Pursuant to the Settlement Agreement, the refund amount to be credited to CIAC should be 0.427% of revenues collected from April 12, 2007, through the day before the settlement rates become effective. The refund amount should include interest, in accordance with Rule 25-30.360(4), F.A.C.
